Instructions for completing the Declaration

This is a two-page document. You will need to have a copy of your court order or agreement handy to complete the first portion of the declaration.

Print your name wherever “Support recipient” or “Full Name of Person Declaring” is noted.

Print the support payor’s name where “Support payor” is noted.

Print the date the support order was granted, the dependant children’s’ names, support amount and support cycle (ex. Monthly, biweekly, semi-monthly) where indicated in number 1.

Enter the total amount of support owing from the Schedule of Payments in Number 3:

To arrive at the total support owing, you must complete the Schedule of Payments. On the Schedule of Payments, for the entire period of time you are claiming support is owing to you, you must list each payment due and whether or not it was paid.

- Under **Due Date**, the full date each payment is due (the due date according to the order or agreement)
- Under **Amount Due**, the amount of each payment (the amount due according to the order or agreement)
- Under **Amount Received**, the amount that was paid to you (enter “zero” if not paid)
- Subtract the Amount Received from the Amount Due to arrive at the **Amount Owing**.
- Total the Amount(s) Owing to arrive at the **Total Support Owing** at the bottom of the Schedule. Insert this amount at number three on the Declaration.

If your support order includes more than one type of support (ex. Child support and spousal support) or specific expense amounts (ex. daycare fees) the amounts can be listed separately or as the total amount due for each due date.

Example of how to complete the Schedule of Payments:

DUE DATE	AMOUNT DUE	AMOUNT RECEIVED	AMOUNT OWING
April 1, 2012	\$275.00	\$0.00	\$275.00
April 15, 2012	\$275.00	\$100.00	\$175.00
May 1, 2012	\$275.00	\$75.00	\$200.00
Use a second page, if necessary		Total Support Owing Insert total at #3	\$650.00

Enter the due date for each payment you are claiming in this column.

Enter the amount of the payment that was due (from your order or agreement) for each due date.

Enter the amount you received from the support payor for each payment due.

Enter the amount left owing for each payment due (amount due – amount received).

Enter the total of all amounts entered in the “Amount Owing” column here and at #3 on the Declaration.
