Pursuant to Rule 26(1), Mr. KOSTYSHYN, Mrs. DRIEDGER and Messrs. WHITEHEAD, SCHULER and MARCELINO (Tyndall Park) made Members' Statements.

The House resumed the Interrupted Debate on the Proposed Motion of Ms. CROTHERS:

THAT the following address be presented to His Honour the Lieutenant Governor:

We, the Members of the Legislative Assembly of Manitoba thank your Honour for the gracious speech addressed to us at this First Session of the Fortieth Legislature of Manitoba.

And the proposed amendment moved by Mr. MCFADYEN as follows:

*THAT the Motion be amended by adding at the end the following words:*

But this House regrets:

- (a) That the Throne Speech failed to acknowledge the Provincial Government's inability to pay for its commitments without raising taxes on Manitoba families or to acknowledge that adding to our debt at a rate of 10% each year and relying on equalization is not sustainable; and
- (b) That these are uncertain economic times, and yet the Throne Speech failed to lay out an economic strategy for the Province of Manitoba or to eliminate wasteful spending; and
- (c) That the Throne Speech did not mention the importance of trade to our economy, or make any references to entering into trade agreements to spur our economy; and
- (d) That the Throne Speech did not demonstrate a commitment to protecting Manitoba Hydro from political interference that is forcing Hydro to cut back and delay critical capital expenditures; and
- (e) That the Throne Speech failed to acknowledge the catastrophic mistake of following the far western route for Manitoba's next high voltage direct current transmission line; and
- (f) That the Throne Speech failed to demonstrate what steps the Provincial Government will take to shed Manitoba's title as the violent crime capital of Canada which was reinforced by a summer punctuated by arsons, stabbings and homicides putting Winnipeg on course to have a record number of homicides in 2011; and
- (g) That the Throne Speech failed to acknowledge the ongoing socioeconomic hardship and disruption caused by the 2011 flood and failed to commit the Provincial Government to undertake a comprehensive independent review of provincial actions and resources in the 2011 flood, as well as a review of provincial flood compensation to ensure all Manitobans are being fairly compensated; and
- (h) That the Throne Speech reinforced the Provincial Government's ongoing indifference to the needs of Manitoba's farm families and rural communities whose economic well being is so important to the health of the provincial economy; and

- (i) That the Throne Speech failed to outline a plan to reverse the inter-provincial loss of more than 1,800 doctors over the last decade, meaning thousands of Manitobans will remain without a family doctor; and
- (j) That this Provincial Government, after 12 years, has not restrained the growth of health care bureaucracy, which fails to make front line patient care a priority; and
- (k) That the Throne Speech did not provide a plan for improving access to Manitoba's post-secondary institutions, nor did it lay out a plan to tackle truancy or improve grade school students' test scores which have dropped to among the lowest in Canada; and
- (l) That the Throne Speech failed to address the circumstances that have led to Manitoba again being the child poverty capital of Canada, that have not improved food security for the thousands of Manitobans who rely on food banks annually or that have not curbed the growth in the number of Manitobans who rely upon employment and income assistance to survive.

And as a consequence, the Provincial Government has thereby lost the trust and confidence of the people of Manitoba and this House.

And the debate continuing on the amendment,

And Mrs. STEFANSON, Hon. Mr. BJORNSON, Mrs. TAILLIEU, Hon. Ms. ALLAN and Mrs. DRIEDGER having spoken.

And the Question being put on the amendment. It was negatived, on the following division:
