Mr. PETTERSEN moved:

Resolution No. 15: Northern Climate Change Research

WHEREAS Manitoba is recognized as a leader in taking action on climate change and working toward a greener future; and

WHEREAS Manitoba's northern geography and central location means that we are among the first to experience many of the varied and oftentimes challenging effects of climate change, such as an increase in forest fires, melting sea ice, shortening of the winter roads season and changing habitat for seals, whales, polar bears, caribou and other northern species; and

WHEREAS Manitoba universities are leading important research, including the University of Manitoba's Arctic Research Facility, which hosts the Canada Excellence Research Chair in Arctic Geomicrobiology and Climate Change; and

WHEREAS the Churchill Northern Studies Centre works with universities throughout Manitoba and is involved in documenting climate change, polar bear health, biodiversity, wildlife population cycles, water quality and other research initiatives; and

Tuesday, June 11, 2013

WHEREAS the Provincial Government has fostered important partnerships to study climate change in order to determine how to best mitigate the challenges and take advantage of opportunities for environmental protection innovation.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to continue to promote and facilitate northern research to enhance understanding of the physical environment and advance social and economic progress.

And a debate arising,

And Messrs. PETERSEN, MAGUIRE, WHITEHEAD and WISHART, Hon. Ms. MELNICK, and Hon. Mr. GERRARD having spoken,

And Mr. HELWER speaking at 11:58 a.m. The debate was allowed to remain in his name.
