ORDERS OF THE DAY

GOVERNMENT BUSINESS

Adjourned Debate (Third Day of Debate):

On the Proposed Motion of Mr. JENNISSON –

THAT the following address be presented to His Honour the Lieutenant Governor:

We, the Members of the Legislative Assembly of Manitoba thank your Honour for the gracious speech addressed to us at this Third Session of the Thirty-Seventh Legislature of Manitoba.

And the Proposed Motion of Mr. MURRAY in amendment thereto as follows:

THAT the Motion be amended by adding to it, after the word "Manitoba" the following words:

But this House regrets

(a) the government's inability to fulfill the promises outlined in its Throne Speech of November 13, 2001, including the following failures: not ending hallway medicine; not addressing the province-wide shortage of health care professionals; not reducing waiting lists for health care services; not providing adequate resources to Manitoba's justice system, including a commitment to maintain a minimum of 1180 police officers in the City of Winnipeg; rejecting compulsory standards testing in Grade 6, Senior 1 and Senior 4, while at the same time announcing annual reports on student achievement outcomes across subject and grade levels; not ensuring a viable future for the family farm in Manitoba; failing to adequately promote rural economic diversification; failing to secure adequate levels of income loss compensation for Manitoba farmers; and, not forging a new strategy for economic development; and

(b) the government's failure to address the challenges facing the province's health care system; and

- (c) the government's failure to bring Manitoba Hydro before the Public Utilities Board, despite the government's commitment to projects that may potentially cost the Province of Manitoba \$10 billion; and
- (d) the government's failure to release long-term strategies for economic growth which include meaningful tax reductions, thereby making Manitoba less able to compete in the national and global economy; and
- (e) the government's failure – in this time of a slowing economy -- to provide any meaningful measures to maintain economic growth and stimulate job creation, thereby making Manitoba a less attractive place in which to live, work, invest and raise families; and
- (f) the government's failure to back up the Member for Concordia who earlier this spring made a commitment to the citizens of Manitoba that there will be “no forced amalgamation (of school divisions). It is not the Manitoba way.”; and
- (g) the government's failure to arrive at a national farm safety net program that adequately addresses the needs of the province's agricultural producers; and
- (h) the government's failure, as promised by the Member for Concordia, as promised in the Legislative Assembly on May 9th, 2001 to arrange a meeting -- ‘any day, any place, any time’ -- between the Prime Minister and a delegation of farm, business and municipal leaders in order to address the challenges facing the agriculture sector; and
- (i) the government's failure to address the issues raised by its complete mismanagement of the expansion of gaming through the creation of five First Nations casinos; and
- (j) the government's failure to address issues pertinent to seniors; and
- (k) the government's failure to address issues pertinent to women.

AND has thereby lost the trust and confidence of the people of Manitoba and this House.
(Mrs. MITCHELSON – 17 mins.)
