NOTICE PAPER

NOTICE OF MOTION FOR THURSDAY:

PROPOSED RESOLUTION:

Mr. EICHLER – Standing Committee on Agriculture and Food Needs to Be Convened

21. WHEREAS Manitoba's agricultural sector is a key economic driver, creating thousands of direct and indirect jobs, and generating hundreds of millions of dollars annually for the provincial economy; and

WHEREAS Manitoba's pork producers are facing fiscal challenges due to factors such as the H1N1 outbreak, Country of Origin Labelling (COOL), Bill 17 – The Environment Amendment Act, high input prices and low commodity prices, among others; and

WHEREAS the cattle industry continues to be adversely impacted by factors such as the lingering effects of the BSE crisis, other trade issues, high operating costs and low commodity prices, among others; and

WHEREAS severe weather-related challenges such as flooding, excess moisture conditions or drought are having a negative impact on livestock and crop producers in different regions of Manitoba; and;

WHEREAS the provincial government has failed to develop effective strategies to attack these varied challenges; and

WHEREAS legislators have a duty to thoroughly examine these issues, to seek input from the affected stakeholders, and to develop strategies to help the industry deal with them; and

WHEREAS the Standing Committee on Agriculture and Food has not met since the spring of 2001 to specifically address the factors negatively affecting our agriculture sector and to examine possible strategies to manage them.

THEREFORE BE IT RESOLVED that the Legislative Assembly urge the Provincial Government to consider convening the Standing Committee on Agriculture and Food as soon as possible to examine the serious challenges facing Manitoba's farm families, and to consider developing strategies to address these issues in order to ensure the continued success of the province's agriculture sector.
