---

## **RESOLUTION:**

### **Mr. FAURSCHOU – Making Alternative Health Practices More Accessible**

9. WHEREAS the benefits of alternative health practices such as Traditional Chinese Medicine, Homeopathy, Naturopathic Medicine, Traditional Aboriginal Medicine, Botanical medicine and acupuncture include improved physical and mental health; and

WHEREAS alternative health practices can prevent, manage, and at times reverse chronic conditions, which can result in long-term savings for the health care system; and

WHEREAS alternative medicine is commonly practiced in many of the world's leading health care systems, including France, Italy and Switzerland; and

WHEREAS many alternative therapies are regulated health professions in other jurisdictions, where the expertise of such practitioners is recognized; and

WHEREAS in Manitoba, the benefits of many alternative therapies are inaccessible to numerous Manitobans on the basis of costs, which are not eligible medical expenses for the purposes of income tax; and

WHEREAS some third-party health insurance plans cover aspects of alternative therapies, many patients are unable to afford this additional coverage and must pay the full cost of such alternative therapies out-of-pocket.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to make the benefits of the many alternative health practices more accessible to all Manitobans; and

BE IT FURTHER RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to consider making the necessary legislative changes to make more alternative medical therapies eligible as tax-deductible medical expenses.

---
