ADJOURNED DEBATE (SEVENTH DAY OF DEBATE):

On the Proposed Motion of Hon. Mr. STRUTHERS –

THAT this House approves in general the budgetary policy of the Government.

And the Proposed Motion of Mr. PALLISTER in amendment thereto as follows:

THAT the motion be amended by deleting all of the words after "House" and substituting:

therefore regrets this budget fails to address the priorities of Manitobans by:

- a) ignoring the taxpayer protection laws that safeguard Manitoba families; and
- b) saddling Manitoba families with crushing and unnecessary taxes that don't allow them to prosper and save for the future; and
- c) failing to tame a \$500 million structural deficit created through 13 years of overspending; and
- d) failing to promise a full and transparent review of all Provincial Government spending; and
- e) failing to control growth of low spending priorities such as advertising and vote taxes; and
- f) stifling economic growth and prosperity through excessive red tape and unwarranted taxation.

As a consequence, the Provincial Government has thereby lost the confidence of this House and the people of Manitoba.

NOTICE OF MOTION FOR TUESDAY:

PROPOSED RESOLUTION:

Mr. DEWAR – Rural CancerCare Hubs

3. WHEREAS when faced with a potential cancer diagnosis, families want the fastest possible access to testing and treatment; and

WHEREAS wait times for radiation therapy grew to be dangerously long at six weeks in 1999, with up to an 18 week wait for prostate cancers; and

WHEREAS the Provincial Government has worked hard with CancerCare Manitoba and other partners to dramatically reduce the wait time for radiation therapy to an average of one week or less, the lowest in Canada, and over the same period Manitoba has also seen dramatic improvements in cancer survival rates; and

WHEREAS the Provincial Government has introduced the most comprehensive plan in Canada to reduce wait times from the moment a patient's doctor first suspects cancer to when treatment begins, including the testing, referrals, diagnosis and treatment planning in between; and

WHEREAS this plan includes upgrading the 16 rural chemotherapy sites into CancerCare Hubs, like the one in Morden-Winkler, with Brandon, Selkirk, Steinbach and Thompson to follow over the next year; and

WHEREAS the new rural CancerCare Hubs will complement other elements of the Provincial Government's cancer fighting plan, which includes cancer prevention strategies, covering the costs of cancer treatment and drugs, more advanced testing, after hours care and other supports for cancer patients thereby helping to both prevent cancer and catch it earlier.

THEREFORE BE IT RESOLVED that the Legislative Assembly commend those health care professionals who deliver cancer services across the province to ensure that Manitobans affected by cancer have the best possible chance of beating the disease; and

BE IT FURTHER RESOLVED that the Legislative Assembly urge the Provincial Government to continue investing in strategies that support cancer patients and their families, including the Provincial Government's commitment to ensuring Manitoba families have the fastest access in the country to world class cancer testing, diagnostics and treatment.
