**RESOLUTION:**

**Ms. LATHLIN – Advancing Gender Equality and Women's Rights**

5. WHEREAS March 8, 2016 marks International Women's Day, a celebration of the social, economic, cultural and political achievements of women, as well as a time to refocus on the work still needed to advance women's rights and well-being; and

WHEREAS one hundred years ago Manitoba became the first Canadian province to grant some women the right to vote and hold elected office; and

WHEREAS, with leadership from community partners, government and Manitoba men and women, much work has been done since to pursue gender equality; and

WHEREAS there is still more work to be done and many issues that disproportionately affect women, such as poverty, access to childcare and sexual and domestic violence are yet to be fully resolved; and

WHEREAS the Provincial Government is working to make steady progress to address these issues by: including first-in-Canada legislation to give victims of domestic violence the right to time off work without fear of job loss; introducing supports like education, training and affordable, quality child care to open more doors for women to get into good jobs; and initiating smart, strategic investments in health care services; and

WHEREAS the Provincial Government has also supported the call for a national inquiry into missing and murdered indigenous women and girls; and

WHEREAS the Official Opposition's agenda of risky cuts and privatization, including two-tier health care and privatized child care, would hurt women in Manitoba; and

WHEREAS the extreme conservative stance of the Official Opposition Leader on important issues like marriage equality and a woman's right to choose, as well as the attitude that he has shown towards women, would take Manitoba back from the progress that has been made.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba commend all those who have been allies in the evolution of women's rights; and

BE IT FURTHER RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to continue to work with Manitobans to continue our progress into the next hundred years.
