**RESOLUTION:**

**Mr. WIEBE – Steady Progress on Health Care, Education and Jobs**

7. WHEREAS although Manitobans have weathered two major floods and a global economic recession, the province has one of the lowest unemployment rates in the country, with new jobs and steady economic growth; and

WHEREAS the Provincial Government's diverse team is working hard for middle-class and working families, making steady progress in improving health care and education and creating good jobs while fighting climate change and growing the green economy; and

WHEREAS the Provincial Government is improving health care, by hiring more doctors and nurses and building more facilities, like Quick Care clinics to help take pressure off emergency rooms and reduce wait times; and

WHEREAS the Provincial Government has created 14,300 publicly funded child care spaces since 1999 and has a plan to create 12,000 more spaces so parents can go back to work or school to get the skills they need for a good job; and

WHEREAS the Provincial Government has made funding for schools, colleges and universities a top priority, in order to increase access, affordability and opportunities for everyone in the province, not just the few; and

WHEREAS the Provincial Government's infrastructure plan means smart, strategic investments in needed highways, flood control, schools, hospitals and downtown revitalization, to strengthen Manitoba's economy and communities; and

WHEREAS the Leader of the Official Opposition was a senior minister in the Provincial Government that cut teachers and nurses, and he has now committed to more than half a billion dollars in cuts that put the services that families rely on at risk, including for the most vulnerable people in Manitoba's communities; and

WHEREAS the Manitoba Liberal Party's policies are the wrong priorities for Manitoba families, including policies like delaying flood protection projects and removing the health and education levy on large employers which would lead to cuts in health and education.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba commend the front line workers and hardworking Manitobans who continue to make Manitoba's steady progress possible; and

BE IT FURTHER RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to continue to work hard for even stronger health care, education and good jobs for all Manitobans.

**GOVERNMENT MOTION:**

Hon. Mr. DEWAR –

THAT this House support the economic policies of the Government.

---

**OPPOSITION DAY MOTION:**

Mrs. STEFANSON –

That the Legislative Assembly of Manitoba recognize that an 8% PST represents a regressive tax increase felt hardest by working families, has contributed to increasing levels of child poverty, and that by breaking its promise and raising the PST the Provincial Government failed to consider the impact of this tax increase on low income Manitobans.
