**RESOLUTION:**

**Mr. KINEW – Equality for First Nations People**

6. WHEREAS the Canadian Human Rights Tribunal ruled on January 26, 2016 that the Federal Government is racially discriminating against 163,000 First Nations children by underfunding child welfare services on-reserve; and

WHEREAS First Nation education on-reserve is chronically underfunded with 30% less money spent on each Indigenous student than the national average resulting in 110,000 First Nation students being denied the same quality of education as their non-Indigenous peers; and

WHEREAS there has been a 2% cap in funding increases to social services on-reserve since 1996 which has failed to keep up with the growing Indigenous population; and

WHEREAS many healthcare services are denied to First Nations peoples when they would otherwise be covered; and

WHEREAS the Truth and Reconciliation Commission of Canada's Calls to Action have directed the Federal Government to provide equal funding to education on-reserve; to implement Jordan's Principle which would provide equal funding for health and social services on-reserve; and to use the United Nations Declaration on the Rights of Indigenous Peoples as a framework for reconciliation; and

WHEREAS the Prime Minister has promised to implement all 94 Calls to Action of the Truth and Reconciliation Commission, and has indicated that any initiatives announced will not be implemented until after the next federal election; and

WHEREAS Manitoba has one of the highest rates of reserve residency and Indigenous populations in the country, making an investment in their future critical to ensuring the future economic prosperity of this province.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba be urged to call upon the Federal Government to immediately provide the necessary funding to close the gap in education, health and social services for First Nations people on-reserve, and that such funding be delivered in a collaborative way with First Nations people consistent with the United Nations Declaration on the Rights of Indigenous Peoples and the Calls to Action of the Truth and Reconciliation Commission of Canada.
