DEBATE ON GOVERNMENT RESOLUTION:

On the Proposed Motion of Hon. Mr. GOERTZEN – Long Term, Sustainable and Flexible Healthcare Funding

WHEREAS health care is the single largest budget item for provinces and territories, each of whom is responsible for the delivery of quality health services for Canadians; and

WHEREAS provinces pay more than 75 per cent of health care costs and the Federal Government continues to reduce growth in health care funding; and

WHEREAS the Federal Government’s unilateral approach and refusal to engage in a discussion around the importance of a long term and sustainable partnership on health care funding should be of concern to every Manitoban; and

WHEREAS Manitoba is facing a challenging fiscal situation and the Federal Government’s decision to reduce health care funding by more than \$1 billion over the next 10 years is going to put additional strain on the ability to provide services to Manitobans; and

WHEREAS federal funding is essential in order to address the increasing costs associated with the health care needs of the province’s growing and aging population.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba be urged to reiterate the position of other governments representing 90 percent of Canada's population, that is, before any further discussion takes place on a renewed Health Accord, the First Ministers request a meeting with the Prime Minister regarding the need for long term, sustainable and flexible funding for the healthcare system and that if this is not accomplished, any proposed reduction in healthcare funding be delayed until 2018/19.

NOTICE OF MOTION FOR THURSDAY:

PROPOSED RESOLUTION:

Ms. FONTAINE – Support for Refugees and Newcomers

3. WHEREAS Canada has a long history of welcoming refugees and immigrants, with a national identity built on the values of diversity, acceptance and tolerance; and

WHEREAS the Federal Government and the Canadian Parliament have advanced these values by welcoming thousands of Syrian refugees and announcing a strategy to provide asylum for the Yazidi survivors of the ISIS genocide; and

WHEREAS Manitobans are concerned about the imprudent and unjust travel ban recently announced in the United States which unfairly targets predominantly Muslim nations; and

WHEREAS this travel ban indicates that for the time being the United States cannot rightly be considered a safe country under the standards set out by the Safe Third Country Agreement; and

WHEREAS suspending the Safe Third Country Agreement would be a practical step to provide refugees and asylum seekers with an incentive to present themselves to the proper authorities rather than braving dangerously cold conditions to make their way to Canada and would ease the burden on the residents of Emerson and surrounding communities; and

WHEREAS the current 1,000 person cap on privately sponsored refugees limits the ability of Canadians to respond to the urgent needs of refugees and asylum-seekers; and

WHEREAS all Manitobans call upon the Federal Government to properly support communities, such as Emerson, that are seeing large influxes of asylum seekers and refugees; and

WHEREAS all Manitobans want the Federal Government to continue its efforts in protecting the safety and security of Canadians and ensure that Canada is an open and welcoming place for all newcomers.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba be urged to call on the Federal Government to both immediately remove the cap on privately sponsored refugees and suspend the Safe Third Country Agreement with the United States of America.
