DEBATE ON GOVERNMENT RESOLUTION:

On the Proposed Motion of Hon. Mr. GOERTZEN – Long Term, Sustainable and Flexible Healthcare Funding

WHEREAS health care is the single largest budget item for provinces and territories, each of whom is responsible for the delivery of quality health services for Canadians; and

WHEREAS provinces pay more than 75 per cent of health care costs and the Federal Government continues to reduce growth in health care funding; and

WHEREAS the Federal Government’s unilateral approach and refusal to engage in a discussion around the importance of a long term and sustainable partnership on health care funding should be of concern to every Manitoban; and

WHEREAS Manitoba is facing a challenging fiscal situation and the Federal Government’s decision to reduce health care funding by more than \$1 billion over the next 10 years is going to put additional strain on the ability to provide services to Manitobans; and

WHEREAS federal funding is essential in order to address the increasing costs associated with the health care needs of the province’s growing and aging population.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba be urged to reiterate the position of other governments representing 90 percent of Canada’s population, that is, before any further discussion takes place on a renewed Health Accord, the First Ministers request a meeting with the Prime Minister regarding the need for long term, sustainable and flexible funding for the healthcare system and that if this is not accomplished, any proposed reduction in healthcare funding be delayed until 2018/19.

(Mr. MARCELINO (Tyndall Park) – 17 mins.)

NOTICE PAPER

NOTICE OF MOTION FOR TUESDAY:

Hon. Mr. FRIESEN –

(No. 22) – The Regulatory Accountability Act and Amendments to The Statutes and Regulations Act/Loi sur la responsabilisation en matière de réglementation et modifiant la Loi sur les textes législatifs et réglementaires

NOTICE OF MOTION FOR THURSDAY:

PROPOSED RESOLUTION:

Mr. WIEBE – Protecting Health Care for Seniors and Families

5. WHEREAS protecting health care services for seniors and families is a number one priority for Manitobans and should be the priority of the Premier and the Provincial Government; and

WHEREAS this Provincial Government has spent hundreds of thousands of dollars on health care reviews which they refuse to release to the public, despite the fact that the Premier explicitly promised to do so; and

WHEREAS after campaigning on a promise to protect frontline services, the first action taken by this Premier in regards to the health care system was to close the Quick Care Clinic in St. Boniface; and

WHEREAS this clinic provided crucial frontline care to families and seniors in the St. Boniface and St. Vital areas as well as offering essential, bilingual healthcare services to the largest and most concentrated Francophone community in Manitoba; and

WHEREAS after closing this clinic, the Premier ordered the Minister of Health to make over a billion dollars of capital cuts to the health care department; and

WHEREAS these cuts to health care services will mean that the Provincial Government will no longer build a new Cancer Care facility despite the millions of dollars raised by private groups and the thousands of hours of planning and effort that have been put in by volunteers to support this important project; and

WHEREAS these cuts to health care services will mean that the Provincial Government will no longer build a wellness centre for seniors in the Concordia region in order to support their unique and important health care needs; and

WHEREAS these cuts to health care services will mean that the Provincial Government will no longer proceed with shovel ready projects for personal care homes in south and northeast Winnipeg, as well as in Lac du Bonnet, thereby cutting hundreds of personal care beds; and

WHEREAS these cuts to health care services will mean that the Provincial Government will no longer build a community clinic in St. Vital and will no longer proceed with community clinics in The Pas and Thompson; and

WHEREAS these cuts to health care services are shortsighted as the need for these important projects across the province will not diminish and the cost will only increase.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba be urged to call upon the Provincial Government to immediately reverse the Premier's damaging cuts to the Manitoba health care system and to make meaningful investments in the public health care system in the upcoming provincial budget.
