**DEBATE ON GOVERNMENT RESOLUTION:**

On the Proposed Motion of Hon. Mr. GOERTZEN – Long Term, Sustainable and Flexible Healthcare Funding

WHEREAS health care is the single largest budget item for provinces and territories, each of whom is responsible for the delivery of quality health services for Canadians; and

WHEREAS provinces pay more than 75 per cent of health care costs and the Federal Government continues to reduce growth in health care funding; and

WHEREAS the Federal Government’s unilateral approach and refusal to engage in a discussion around the importance of a long term and sustainable partnership on health care funding should be of concern to every Manitoban; and

WHEREAS Manitoba is facing a challenging fiscal situation and the Federal Government’s decision to reduce health care funding by more than \$1 billion over the next 10 years is going to put additional strain on the ability to provide services to Manitobans; and

WHEREAS federal funding is essential in order to address the increasing costs associated with the health care needs of the province’s growing and aging population.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba be urged to reiterate the position of other governments representing 90 percent of Canada’s population, that is, before any further discussion takes place on a renewed Health Accord, the First Ministers request a meeting with the Prime Minister regarding the need for long term, sustainable and flexible funding for the healthcare system and that if this is not accomplished, any proposed reduction in healthcare funding be delayed until 2018/19.

## NOTICE OF MOTION FOR THURSDAY:

### PROPOSED RESOLUTION:

#### **Ms. MARCELINO (Logan) – Protect Manitoba’s Provincial Nominee Program**

7. WHEREAS Manitoba’s Provincial Nominee Program is one of the most successful newcomer sponsorship programs in Canada and is supported by a broad consensus of business groups, like the Manitoba Chamber of Commerce, as well as labour and community leaders; and

WHEREAS provincial nominees to Manitoba are helping to keep the province growing, filling the skilled labour shortage and enriching the social and cultural fabric; and

WHEREAS in the past, the Provincial Nominee Program emphasized skilled applicants with strong connections to Manitoba through family, previous work experience and education, and other social connections; and

WHEREAS this past process ensured that nominees would have a community around them to provide settlement supports and would encourage them to stay in Manitoba to work and grow the economy; and

WHEREAS provincial nominees account for nearly 70% of all immigration to Manitoba, and because 85% of nominees are working three weeks after landing, Manitoba’s nominees have the second lowest unemployment rate in Canada; and

WHEREAS the Provincial Government has announced changes to the Provincial Nominee Program which eliminate the emphasis on community connection to Manitoba, making it harder to attract nominees who will stay in Manitoba instead of moving to larger market cities; and

WHEREAS the Provincial Government has instituted a regressive \$500 fee for successful applicants; and

WHEREAS the Premier has falsely alleged that nominees create high unemployment rates and have an excessive dependence on social assistance.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to reverse its changes to Manitoba's Provincial Nominee Program and continue to invest in supports for nominees.
