RESOLUTION:

Mr. MARCELINO (Tyndall Park) – Standing Up for Worker Safety

11. WHEREAS all workers deserve to be healthy and safe in their workplaces and deserve to come home safe from their shift every time; and

WHEREAS there have been several notable tragedies in Manitoba of workers being injured or dying on the job, most recently the death of a northern Manitoban man who died on a Manitoba Hydro construction site in January of 2018; and

WHEREAS this week workers and families mark the National Day of Mourning in order to commemorate the lives lost and to recommit to ensuring every worker has a safe workplace free from illness and injury; and

WHEREAS this Provincial Government has proposed dismantling the Advisory Council on Workplace Health and Safety in the middle of a mandated five year review of the Workplace Health and Safety Act, undermining the voice of workers and employers; and

WHEREAS the Provincial Government is reviewing occupational exposure limits for workers, putting the priority of cutting costs ahead of worker safety; and

WHEREAS this Provincial Government has passed legislation which threatens safety regulations that protect workers under the guise of ‘red tape’ reduction; and

WHEREAS it must be made clear to this Provincial Government that safety regulations are not red tape.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to recognize the importance of ensuring safe workplaces for all workers and commit to making worker safety the first priority always by reversing its proposed cut of the Advisory Council on Workplace Health and Safety.
