Mr. ALTOMARE – Better Support for Schools, Teachers, Students and Families

3. WHEREAS the Pallister Government has for years underfunded schools in Manitoba and eliminated important programs that kept class sizes small; and

WHEREAS the Pallister Government failed to present a plan to invest in schools to ensure they can meet the challenges caused by the COVID-19 pandemic; and

WHEREAS the Pallister Government received over \$85 million dollars from the Federal Government to invest in schools but has refused to spend any of these funds in the schools; and

WHEREAS the Pallister Government has ignored calls from teachers, students, support staff, parents and other community groups to ensure class sizes remain small so that all students can safely and properly physically distance themselves in the classroom; and

WHEREAS the Pallister Government has refused calls to hire more teachers, support staff and educational assistants so that students can receive one on one attention and address learning loss that resulted from the closure of schools last spring; and

WHEREAS the Pallister Government did not provide any new supports so that schools and school divisions could prepare and acquire new classroom space, teaching and learning supplies and teaching areas; and

WHEREAS the Pallister Government instead interfered in ongoing negotiations at school divisions which precipitated a strike affecting transportation for many students and families; and

WHEREAS the Pallister Government failure to prepare an adequate back to school plan which has left teachers, educational assistants, support staff and school administrators and educators scrambling to make last minute changes to accommodate new realities of COVID 19 and public health orders.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to immediately invest in provincial public schools to hire more teachers, hire more educational assistants, acquire new spaces for teaching and programming, provide more mental health supports for students and educators, invest in remote learning supports and use the money provided by the Federal Government to ensure all Manitoba students receive the education they deserve.
