## NOTICE OF MOTION FOR THE NEXT TUESDAY OF PRIVATE MEMBERS' BUSINESS:

### PROPOSED RESOLUTION:

#### **Mr. LAMONT – Call for an Inquiry into the Provincial Government's COVID-19 Second Wave Response**

6. WHEREAS there has been a dramatic increase in COVID-19 infections in Manitoba during the second wave of the pandemic to the extent that Manitoba quickly rose from one of the lowest to having the highest number of active cases per capita of all provinces; and

WHEREAS the resurgence in cases is worse because the Provincial Government's wishful thinking left it unprepared for the pandemic, resulting in very long wait times for COVID-19 tests, people waiting for up to seven days to get results and up to several days to have contact tracing which together led to greater uncontrolled and undetected community spread of COVID-19; and

WHEREAS the Provincial Government's failure to properly act led to an increase in personal care homes COVID-19 infections by not immediately implementing a rapid response team and instituting full testing of all staff and residents when the first COVID-19 case was detected in a home; and

WHEREAS in August, the Provincial Government ignored the calls for investment in infection control and better staffing to prepare seniors' homes for a second wave, and failed to heed reports and recommendations from outbreaks in Ontario, Quebec and Nova Scotia and as a result put the health and safety of residents and staff at risk; and

WHEREAS the Provincial Government failed to act to address reports of poor care at the Parkview Place personal care home going back years including a March 2020 report detailing concerns with the state of repair of the facility. Its cleanliness and sanitation practices included issues with cockroaches, dirty toilets and grease laden dirt in the kitchen. In October, the Provincial Government ignored evidence that The Maples personal care home was understaffed and continued to insist there were adequate staff present even as residents were dying; and

WHEREAS the Provincial Government's own accounts show that its support for business is among the worst in Canada as its failure to take basic steps to control outbreaks has led to further shutdowns and businesses have had to close or reduce their capacity without receiving any financial government assistance causing businesses and workers to choose between getting sick or going broke; and

WHEREAS the Provincial Government has been saying one thing and doing another by calling for fundamentals, while encouraging activity that spreads the virus by urging people to go back to work and shop and it has also failed to address the inequities in the services provided to Indigenous peoples which resulted in them experiencing COVID-19 at disproportionate rates; and

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to call a Public Inquiry into its failure to adequately prepare the province for the second wave of the pandemic, specifically into the outbreaks at personal care homes, jails, and in First Nation communities.
