DEBATE ON RESOLUTION:

MLA ASAGWARA – Increase Staffing and Support for Personal Care Homes and for Seniors

2. WHEREAS the Pallister Government has for years abandoned supports for seniors and elders in Manitoba; and

WHEREAS the Pallister Government cut shovel ready projects for personal care homes in Winnipeg and Lac du Bonnet in 2017 even after those communities had raised millions in support of these projects; and

WHEREAS the Pallister Government cut \$2.3 million from the long term care budget in 2018; and

WHEREAS the Pallister Government cut \$1 million dollars from the budgets of personal care homes in Winnipeg in both 2017 and 2018, without warning or consultation; and

WHEREAS the Pallister Government has failed to build any new personal care home beds since it assumed office in 2016 and instead only cancelled projects; and

WHEREAS the Pallister Government has made no move to increase funding to personal care homes to support increased costs for personal protective equipment, staffing, training and communication with residents and families since the start of the COVID-19 pandemic; and

WHEREAS the Long Term and Continuing Care Association of Manitoba, along with many groups representing nurses, aides and other health care workers, have long called on the Pallister Government to increase supports and funding for personal care homes but those calls have been ignored and rebuffed; and

WHEREAS the Pallister Government has cut home care supports, rolled back services and overworked home care workers as part of the cuts to health care services in Manitoba; and

WHEREAS the Pallister Government raised fees on residents of personal care homes in the middle of a pandemic while not offering any other supports; and

WHEREAS the pandemic has had a disproportionate impact on seniors and residents of personal care homes leading to tragic outcomes for many seniors and families.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to immediately increase staffing levels at all personal care homes, reverse fee hikes for residents and cuts to home care services and also prioritize supports for the seniors and elders in the province.
