PROPOSED RESOLUTION:

Mr. GUENTER – Calling on Federal Government to revise and improve the Federal Government’s Journalism Subsidies

27. WHEREAS the rural, northern, and community newspapers are an important part of the fabric of Manitoba; and

WHEREAS local publications serve an important role in their local economy, such as raising awareness of local issues and informing its readers of events and opportunities taking place in their communities; and

WHEREAS the Federal Government created a subsidy program that fails to adequately support these rural, northern, and community newspapers in Manitoba; and

WHEREAS the Federal Government’s Journalism Subsidy fails to include the majority of newspapers in the province; and

WHEREAS these subsidies unfairly support large, urban newspapers and ignore the needs of the newspapers that provide news for the communities of Manitoba that rely on their local paper for community news coverage; and

WHEREAS this federal subsidy is an example of the failure of a government program, missing the mark of its stated intention to support local, independent journalism in Canada; and

WHEREAS instead this subsidy has conditions that only large corporate news organizations can satisfy in order to get approved in the program; and

WHEREAS a multitude of options would have taken into account the struggles that Manitoba’s newspapers are facing, but the Federal Government has ignored these challenges in the creation of this journalism subsidy.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba call on the Federal Government to improve and revise their Journalism Subsidy program to enable more rural, northern, and community newspapers to be eligible for the program and help them continue to provide the valuable services to Manitobans.
