### **NOTICE OF MOTION FOR THE NEXT THURSDAY OF PRIVATE MEMBERS’ BUSINESS:**

#### **PROPOSED RESOLUTION:**

**Mr. MOSES – Calling on the Provincial Government to Stop Privatizing Health Care Services**

**14.** WHEREAS the Provincial Governments’ cuts over the past seven (7) years have consistently undermined Manitoba’s health care system; and

WHEREAS the doctors with the Misericordia Sleep Disorder Centre are national leaders in their field, and yet the Provincial Government’s current approach is putting that at risk; and

WHEREAS doctors have been forced to go public and raise their concerns in the media, because their cries for help are ignored by this Provincial Government; and

WHEREAS doctors are sharing their frustration with the province’s diagnostic and surgical backlog task force disregarding public health-care solutions, in favour of contracts with private, for-profit providers; and

WHEREAS, despite the fact that there is existing underutilized capacity in the public system, this Provincial Government turned down proposals from doctors at the Sleep Disorder Centre because of “minimal private sector involvement”; and

WHEREAS Manitobans have lost trust in the ability of this Premier and the Minister of Health to prioritize the best interests of patients, instead of attempts to distract from their health care cuts; and

WHEREAS fixing the awful state of health care caused by this Provincial Government, is the number one priority of Manitobans.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to stop its agenda of health cuts and privatization, and stop ignoring good proposals from physicians and other specialists that would improve the delivery of services, within the public system.
